Description about the Event: The Idea Genesis Club successfully organized two impactful sessions aimed at fostering entrepreneurial learning and opportunities for students.

Introduction Session on the Ignitix Program

A one-hour session was conducted for 1st, 2nd, and 3rd-year students to introduce them to the Ignitix Program. The session covered the registration process, key benefits, and a Q&A segment to address students' queries. Designed to ignite innovation and entrepreneurial thinking, the program equips students with essential knowledge and resources to explore new opportunities.

Online Session with Wadhwani Foundation

In collaboration with the Wadhwani Foundation, an online session was conducted from 4th to 6th February 2025 (2:00 PM – 4:00 PM), led by Mr. Amit Singh (Senior Program Manager - WE, Wadhwani Foundation). The session guided student ventures in completing their certification, understanding entrepreneurship strategies, and enhancing their startups.
