**Sub:** Requesting Permission to organize a 6-hours Hackathon event  
"AgriThon 2026" on 18th February, 2026.

Respected Sir,

We, the members of the AI Club, seek your kind permission to organize a 6-hour Hackathon titled "AgriThon 2026" on 18th February 2026, from 09:20 AM to 04:00 PM.

The proposed event focuses on the theme "AI in Agriculture" and aims to provide students with hands-on exposure to real-world problem-solving using Artificial Intelligence. The hackathon is designed to encourage innovation, teamwork, and practical application of AI concepts, particularly in addressing challenges in the agricultural domain.

We kindly request your approval to proceed with the planning and execution of this event. We assure you that all necessary arrangements will be made to ensure the smooth conduct of the hackathon and its successful outcome.

Thanking You.

**Your Sincerely,**

## AgriThon 2026 Hackathon

### Report

#### Event Objective:

“AgriThon 2026” is to provide participants with hands-on experience in developing AI-driven solutions for real-world agricultural challenges. The hackathon encourages innovation, problem-solving, and practical application of Artificial Intelligence, particularly focusing on intelligent analysis, and rapid application development.

#### Event Outcome:

By the end of the hackathon, participants will:

- Gain hands-on experience in building AI-based solutions using Python.
- Develop practical problem-solving skills by addressing real-world agricultural use cases.
- Enhance teamwork, collaboration, and time-management skills.
- Gain exposure to emerging AI techniques and their applications in agriculture.
- Improve readiness for future careers in AI, data science, and technology-driven innovation.
