

## EVENT REPORT ON Project Expo-2025

**Date of the event Held:** 26/03/2025

**Organizer:** Electronics and Communication Engineering Department

**Venue/Place:** Room No- 325-328, Block B

**Number of students Participants ( students and Staff):** 200

**Description about the Event:** The main objective of the project expo is to showcase students innovative solutions to real-world problems. It demonstrates student managerial, teamwork, participative, and communication skills. The project expo facilitates students' interactions with other students, potential employers, etc. Students get constructive feedback to improve their projects to suit industry needs. The program inspires other students to learn new, innovative concepts.

### Outcome of the event :

- Gain experience in project development, from conception to execution and presentation.
- Improve technical, analytical, and communication skills.
- Exposure to industry trends and networking with professionals.
- Potential to impress recruiters and secure job offers or internships.
- Achievements in project expos can be a valuable addition to resumes and academic portfolios.
