

EVENT REPORT ON “B. Tech ECE III Semester Orientation Day”

Date of the event Held: 14th July 2025

Organizer: Robotics Club in association with Innovative Clubs, ECE, CMR Technical Campus, Kandlakoya, Hyderabad.

Venue/Place: Class Romm-322.

Number of students Participants (students and Staff): 80

Description about the Event:

The Department of Electronics and Communication Engineering, CMR Technical Campus, successfully conducted the **B. Tech ECE III Semester Orientation Day** on **14th July 2025**. The program aimed to familiarize students with academic regulations, departmental structure, faculty, and institutional facilities. The session included addresses by the HOD, Deans, and Director, followed by presentations on Training and Placement, IETE, ISTE, Robotics Club, Innovative Club, and Centers of Excellence. The event effectively guided students towards academic planning and professional development.

Outcome of the event: The orientation program enabled students to clearly understand academic structure, available opportunities, and pathways for professional growth.
