

EVENT REPORT ON NATIONAL POLLUTION CONTROL DAY

Date of the Event : 02-12-2023

Venue : CMRTC

Organizer : NSS CMRTC

Program Officer : M. SAAHUL

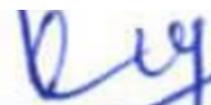

Number of Participants : 40+

Description of the Event : On 02-12-2023, the NSS Unit of CMR Technical Campus (CMRTC) observed National Pollution Control Day with the objective of creating awareness about environmental protection and promoting sustainable practices among the campus community.

As part of the observance, NSS volunteers, in collaboration with the AIML Department, prepared and distributed 100 seed balls to faculty members and students. The seed balls were made by the volunteers as an eco-friendly initiative aimed at increasing green cover and encouraging plantation in available open spaces. The activity emphasized the importance of individual responsibility in protecting the environment and reducing pollution. Volunteers explained the simple process of preparing and planting seed balls to encourage wider participation. Faculty and students appreciated the innovative and sustainable approach adopted by the NSS unit. The program concluded with a pledge to support environmental conservation and promote green initiatives within and beyond the campus.
