Date of the Event : 31-08-2024

Venue : MUNIRABAD

Organizer : NSS CMRTC

Program Officer : M. SAAHUL

Number of Participants : 08

Description of the Event : On 31-08-2024, NSS volunteers from the IT Department visited Munirabad Government School and organized a Science Expo to promote experiential learning. The event featured creative projects and innovative experiments, with volunteers explaining the underlying concepts in a simple and engaging manner. Students actively interacted with the exhibits, asked questions, and participated in hands-on demonstrations that illustrated real-world applications of scientific principles. The expo aimed to nurture curiosity, critical thinking, and interest in science among young learners. The initiative encouraged students to explore creativity and develop a deeper understanding of practical scientific knowledge. It also helped build their confidence in presenting ideas and engaging in scientific discussions. Overall, the program fostered an environment that inspired innovation and a positive attitude toward learning.
