

EVENT REPORT ON NSS DAY ORIENTATION

Date of the Event : 24-09-2024

Venue : CMRTC

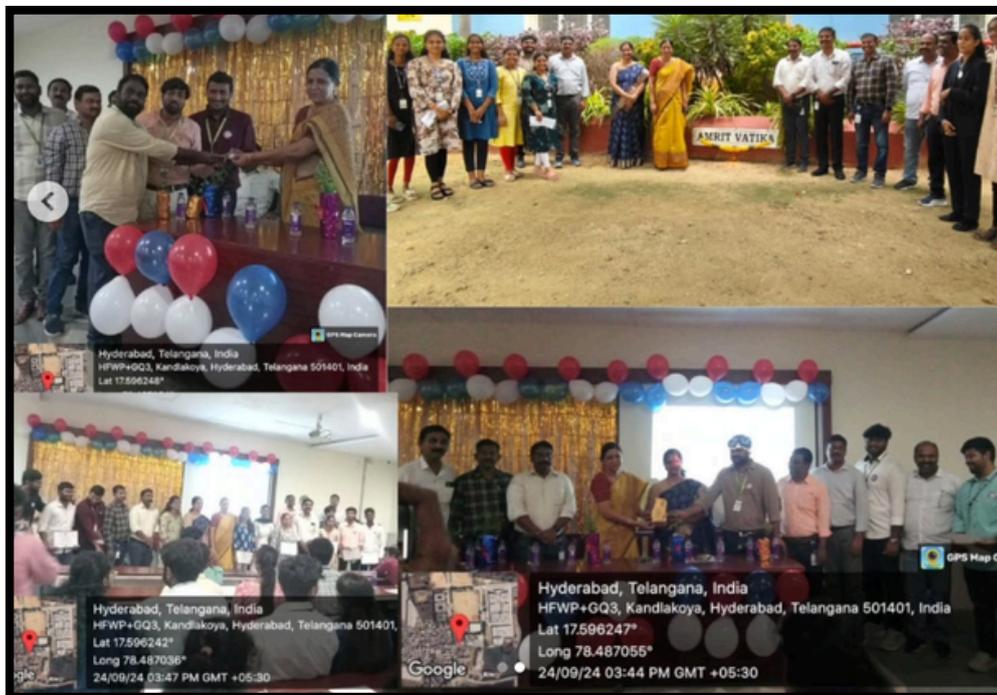

Organizer : NSS CMRTC

Program Officer : M. SAAHUL

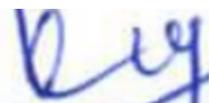

Number of Participants : 260

Description of the Event : On 24-09-2024, the NSS Unit of CMR Technical Campus celebrated “NSS Day” and organized an “NSS Orientation Program” with the participation of 260 volunteers. The program aimed to create awareness about the significance, objectives, and core values of the National Service Scheme (NSS). An overview of the activities conducted during the academic year 2023–2024 was presented to highlight the unit’s contributions to community development. The session encouraged students to actively engage in social service initiatives and develop leadership and teamwork skills. Emphasis was laid on civic responsibility, discipline, and nation-building. Smt. C. Vasantha Latha, Secretary of CMRTC, graced the occasion along with the Director, Deans, and Heads of Departments. Their presence motivated the volunteers and reinforced the importance of service-oriented learning.

The initiative aligns with SDG 4, SDG 16, and SDG 17.

EVENT REPORT ON LIBRARY CLEANING

Date of the Event : 29-09-2024

Venue : MEDCHAL DISTRICT LIBRARY

Organizer : NSS CMRTC

Program Officer : M. SAAHUL

Number of Participants : 50

Description of the Event : On 29-09-2024, the NSS Unit organized a Library Cleaning Drive at the Medchal District Library to promote cleanliness and social responsibility. A total of 50 volunteers actively participated in the initiative, demonstrating dedication and teamwork. The volunteers cleaned the library premises, arranged bookshelves, removed dust and waste materials, and ensured a hygienic and organized environment for readers. The drive aimed to create awareness about the importance of maintaining public spaces and encouraging community participation in sanitation efforts. The activity also instilled discipline, responsibility, and respect for shared learning spaces among students. Through this initiative, volunteers contributed to promoting a healthy and conducive atmosphere for education. The program reinforced the values of service and civic engagement among participants.

The initiative aligns with SDG 4, SDG 6, and SDG 11.

EVENT REPORT ON PRE-RD SELECTIONS AT CMRIT

Date of the Event : 01-10-2024

Venue : CMRTC

Organizer : NSS CMRTC

Program Officer : M. SAAHUL

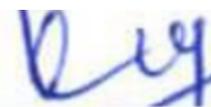

Number of Participants : 10

Description of the Event : On 01-10-2024, the NSS volunteers of CMRTC participated in the Pre-RD Selection conducted at CMRIT. The selection process provided a valuable platform for volunteers to demonstrate their discipline, confidence, leadership qualities, and commitment to NSS activities. Participants were evaluated based on their parade skills, communication abilities, physical fitness, and overall performance. The event aimed to identify dedicated volunteers who could represent the state at the prestigious Republic Day Parade in New Delhi. The experience enhanced teamwork, responsibility, and patriotic spirit among the participants. It also motivated volunteers to strive for excellence and uphold the values of unity and national service.

The initiative aligns with SDG 4 and SDG 16.

EVENT REPORT ON SEED BALL MAKING

Venue : CMRTC

Organizer : NSS CMRTC

Program Officer : M. SAAHUL

Number of Participants : 400+

Description of the Event : As part of the daily volunteering activities conducted from 4:00 PM to 5:30 PM at the office premises, the NSS volunteers organized a special Seed Ball Preparation program. The initiative aimed to promote afforestation and biodiversity conservation through sustainable methods. Volunteers enthusiastically participated in mixing soil, clay, and native plant seeds to prepare eco-friendly seed balls. The activity highlighted an effective technique for restoring greenery in areas where direct plantation is not feasible. It encouraged environmental responsibility and hands-on learning among participants. The program strengthened collective efforts toward ecological restoration and sustainability. The initiative aligns with SDG 13 and SDG 15.

CMR TECHNICAL CAMPUS

EVENT REPORT ON HARITHA HARAM

Date of the Event: 01st July 2025

Organizer: CMRTC NSS

Venue: CMRTC

Number of Participants : 120+

Description about the Event : As part of the Telangana Government's flagship environmental initiative, Haritha Haram, the NSS Unit of our institution organized a successful plantation drive on 01st July 2025. The event witnessed the enthusiastic participation of more than 120 students and staff, who came together to plant over 120 saplings .

The primary objective of the drive was to increase green cover, promote ecological awareness, and instill a sense of environmental responsibility among the youth. The saplings included a variety of native and climate-resilient species, carefully selected to thrive in the local conditions. Before the plantation began, a brief inaugural session was held, where faculty members and NSS volunteers addressed the participants on the significance of afforestation and sustainable living.

Students, faculty, and staff worked together in designated zones, ensuring that each sapling was planted properly and marked for future care. The NSS Unit also implemented a follow-up plan, assigning responsibility to student groups for the regular maintenance and watering of the saplings to ensure their survival and long-term impact.

The event served as a meaningful reminder of the urgent need to take environmental action and the power of collective efforts. It not only contributed to the beautification and eco-restoration of the campus but also created a sense of community and commitment to green practices among the participants.

The success of this plantation drive stands as a symbol of unity and environmental stewardship. The NSS Unit looks forward to organizing more such eco-conscious activities that will inspire positive change and long-lasting impact. Together, we continue to grow not just trees, but a greener mindset for future generations.
