**Subject:** Letter of appreciation for December 2025 - February 2026 camps

Respected Sir,

Greetings from VOICE-4 !

We would like to extend our gratitude for the unconditional support we have received from your college for the Winter camps that were conducted in the month of December 2025 - February 2026. VOICE-4 had an opportunity to host your students as interns with us who have done an incredible job in imparting life skills and critical knowledge to the adolescents of the Government Residential Schools, Telangana. While VOICE-4 aims to reach as many girls and boys as possible throughout India, it wouldn't have been possible without the participation and support of the young counsellors who were the pillars of this change process. We are confident that the internship has given them the skills and experience that they would use for the rest of their lives.

We once again thank you and your entire team who facilitated the recruitment process and ensured that the students were a part of the cause we are working towards.

Looking forward to a long-term association with your reputed college.

Please find attached the list of the students who have completed the internship with us in the months of December 2025 - February 2026.

Thank you.

Vanitha

Co-Executive Director
