### Description of the Event Yukti

**YUKTI – Young India Combating COVID with Knowledge, Technology and Innovation** is a national-level innovation and research event organized by the **All India Council for Technical Education (AICTE) in India**. The event provides a platform for students, researchers, and innovators to present creative ideas, technological solutions, and research projects that can solve real-world problems.

### Objective of the Event

The **objective of the YUKTI event** was to create awareness among students and faculty about the **YUKTI (Young India's Knowledge & Technology Interface) Innovation Repository and Management Platform** and its role in documenting and monitoring innovations. The event aimed to encourage participants to identify innovative ideas, projects, and research outcomes and upload them on the YUKTI portal. It also focused on promoting a culture of innovation, entrepreneurship, and problem-solving by guiding participants on transforming ideas into prototypes, intellectual property, and startups, thereby strengthening the institution's innovation ecosystem and supporting effective implementation of IIC activities.

## Outcome of the Event

- Increased awareness among students and faculty about the **YUKTI Innovation Repository & Management Platform**.
- Participants gained clarity on the **process of registering and uploading innovations** on the YUKTI portal.
- Encouraged documentation of **innovative ideas, projects, prototypes, and IPRs**.
- Enhanced participation in **innovation, entrepreneurship, and startup activities** under IIC.
- Strengthened the institution's **innovation and startup ecosystem**.
- Improved readiness of the institution for **IIC performance evaluation and grading**.
- Motivated students and faculty to follow the **IDEA → PROTOTYPE → STARTUP** pathway
