Description of the Event : On 23-04-2026, NSS volunteers organized a plantation drive at the adopted Munirabad Government School as part of the Bharat Environment Program during Earth Week, in collaboration with Research Heights and EPTRI, to promote environmental awareness. The activity focused on increasing green cover and enhancing the overall school environment. A total of 50 saplings were planted across the school to create a cleaner and healthier space.

The initiative highlighted the importance of trees and sustainability, encouraging eco-friendly practices and responsibility towards nature. Overall, the drive contributed towards building a greener and more sustainable future, aligning with SDG 4, SDG 11, SDG 13, and SDG 15
