

EVENT REPORT ON PROTECTION OF WATER BODIES

Date of the Event : 25-04-2026

Venue : Kandlakoya & Sutaramguda

Organizer : NSS CMRTC

Program Officer : M. SAAHUL

Number of Students Participants : 70

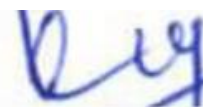

Number of Faculty Participants : 5

Description of the Event : On 25-04-2026, NSS volunteers installed caution boards around the water bodies as part of the Bharat Environment Program during Earth Week, in collaboration with Research Heights and EPTRI, to create awareness about environmental protection and responsible behavior. Our unit has adopted four water bodies near the campus and is committed to protecting them in all forms, including aquatic life. To spread awareness among villagers, caution boards were displayed to promote cleanliness, conservation of natural resources, and eco-friendly practices.

These signboards serve as a constant reminder to avoid pollution and preserve the ecosystem, contributing to a cleaner and healthier environment. The initiative aligns with SDG 6 (Clean Water), SDG 13 (Climate Action), SDG 14 (Life Below Water), and SDG 15 (Life on Land).
