Executive Summary

The **Society Outreach Award 2026** was conferred upon **Mr. Singaraju Siva Kotesch**, President of the **Idea Genesis Community**, by the **Computer Society of India (CSI), Hyderabad Chapter** during the **Annual Excellence Awards 2026**.

This prestigious recognition acknowledges exceptional dedication towards student development, community engagement, innovation, leadership, and social impact initiatives. Receiving this honour for the **second consecutive year** reflects sustained excellence, consistent performance, and long-term commitment to creating meaningful change within the student ecosystem.

The achievement also highlights the growing impact of the Idea Genesis Community in promoting entrepreneurship, innovation, leadership, and service-oriented initiatives across the institution.

Background

The Computer Society of India (CSI), Hyderabad Chapter, annually recognizes individuals who have demonstrated outstanding contributions towards technology, education, leadership, innovation, and community service.

The **Society Outreach Award** is presented to individuals whose efforts significantly contribute to student welfare, institutional development, community engagement, and social responsibility.

Receiving this award in consecutive years demonstrates consistency in leadership and sustained impact.

Objective

The primary objective behind these initiatives has been to create opportunities that empower students beyond academic learning by fostering innovation, entrepreneurship, leadership, skill development, and social responsibility.

Contributions Leading to the Award

The recognition was earned through continuous efforts in the following areas:

Leadership

- Successfully leading the Idea Genesis Community as President.
- Managing strategic planning and execution of community initiatives.
- Coordinating multidisciplinary student teams.

Entrepreneurship Promotion

- Organizing entrepreneurship awareness programs.
- Conducting startup-oriented activities and mentoring sessions.
- Encouraging innovation among students.

Student Development

- Planning workshops, seminars, and interactive learning sessions.
- Supporting technical and non-technical skill enhancement.
- Motivating students to participate in competitions and innovation programs.

Community Engagement

- Conducting outreach activities benefiting students and society.
- Building collaborations with faculty, industry experts, and professional organizations.
- Promoting service-oriented leadership.

Innovation Ecosystem

- Creating platforms for students to transform ideas into practical solutions.
- Encouraging entrepreneurial thinking and problem-solving culture.

Key Achievements

- Recipient of the **Society Outreach Award 2025**
- Recipient of the **Society Outreach Award 2026**
- Two-time consecutive recipient of the Society Outreach Award
- Recognition by Computer Society of India (CSI), Hyderabad Chapter
- Leadership recognized at state-level professional platform
- Continuous contribution towards student development and community outreach

Significance of the Achievement

Receiving the Society Outreach Award for two consecutive years is a testament to sustained commitment rather than a single accomplishment.

This recognition demonstrates:

- Consistency in leadership
- Excellence in community service
- Long-term institutional impact
- Dedication towards student empowerment
- Continuous innovation and entrepreneurship promotion
- Commitment to social responsibility

Impact on Idea Genesis Community

This achievement strengthens the reputation and credibility of the Idea Genesis Community by demonstrating that its leadership is recognized by one of India's premier professional organizations.

The award validates the community's mission of nurturing innovators, entrepreneurs, and socially responsible leaders while encouraging members to strive for excellence.

Future Commitment

Inspired by this recognition, the focus remains on:

- Expanding the reach of Idea Genesis Community.
- Launching impactful entrepreneurship initiatives.
- Supporting student startups and innovators.

- Building stronger industry and institutional collaborations.
- Increasing community outreach and social impact activities.
- Creating a sustainable ecosystem for innovation and leadership.

Conclusion

The **Society Outreach Award 2026**, received for the **second consecutive year**, represents a significant milestone in my journey as a student leader. It reflects consistent dedication towards innovation, entrepreneurship, community development, and student empowerment.

This recognition serves not only as a personal achievement but also as an acknowledgment of the collective efforts of the **Idea Genesis Community**. It reinforces my commitment to continue leading with integrity, inspiring students, and building initiatives that create lasting impact.
