Description of the Event : On 05-06-2026, NSS Volunteers organized a Sapling Distribution Drive as part of the World Environment Day celebrations to promote environmental sustainability and encourage individuals to contribute towards a greener future. The activity focused on raising awareness about the importance of tree plantation and environmental conservation. Volunteers distributed saplings to students, faculty members, and community participants, motivating them to plant and nurture trees in their homes and surroundings. The initiative emphasized the role of greenery in maintaining ecological balance, improving air quality, conserving biodiversity, and mitigating the effects of climate change.(SDG : 13,15)
