Dear Suryanarayanaraju Devaraju,

You didn't just show up. You showed range.

You've officially cleared the screening, owned the video round, and now—you're in. Welcome to the **Google Student Ambassador Program 2026**.

You aren't joining as a participant; you're here to **build the movement**. This role isn't about posters and polite announcements—it's about embedding Gemini into the very fabric of how your campus thinks, creates, and solves.

The Mission:

- **Integrate Gemini into Daily Life:** From classrooms to canteens and late-night assignment marathons. Make Gemini the heartbeat of campus culture.
- **Turn Tools into Movements:** Canvas, Nano, Veo. These aren't just features; they are the new standard. Make using them a habit.
- **Keep it Real:** This program runs on one rule: By the students, for the students. No corporate energy. Only campus energy.

Important Next Step: Contract Submission & Onboarding Form Completion

To confirm your participation for the 2026 cohort, please complete the following steps:

Step 1: Download and carefully review the contract document.

Step 2: Add your digital signature using any of the below methods:

- Open the document in **Adobe Acrobat Reader** → Click on Fill & Sign → Add your signature
- Use platforms like **DocHub / Smallpdf / DigiSigner** to upload and sign the document
- Alternatively, you may print, sign, scan, and upload the document

Step 3: Save and rename the file in the format:

Full Name_College Name

Step 4: Fill out the confirmation form and upload your signed contract within **72 hours**

 **Submission Form:** [Form](#)

(Please note: Your participation will be confirmed only after both forms are filled and the signed contract is uploaded)

Once you complete these steps, you're not just selected—you're **accountable**. You represent the program, lead a nationwide network of peers, and shape how the future lands on your campus.

You made it here because you don't think small. Now, go make Gemini impossible to ignore.

Welcome to the team. Let's build the future. 💜

Warm regards,

Team Google Student Ambassador Program 2026
